MEMORANDUM FOR: Chief, Management Staff

SUBJECT : Incentive Awards Program

1. In reviewing the proposal that the administration of the Incentive Awards Program be transferred from the Office of Personnel to the Management Staff, the question of the value being received from the program is highlighted.

2. Colonel White indicated that he is not interested so much in how many suggestions we are getting but, rather, are they any good, what action has been taken on them, how much have they cost us considering the number of people working on the program and the time taken in review and evaluation, and how much money we have been saved.

3. He would like a comprehensive report on this program covering FY 1955, and a quarterly report thereafter. This request is being addressed to you rather than to the Director of Personnel, inasmuch as the program will come under your direction shortly.
